

CYPRUS CITIZENSHIP BY INVESTMENT

CYPRUS JOINED THE EU IN 2004 AND HAS DEVELOPED INTO AN IMPORTANT FINANCIAL HUB, ESPECIALLY FOR INVESTORS.

The Cyprus Citizenship programme provides Cyprus citizenship to the investor, their married spouse and dependent children up to the age 28, provided they are in full-time education.

Passports will be issued in 90 days and there is no requirement of residence in Cyprus.

Cyprus allows dual citizenship. Cypriot passport holders enjoy the freedom to live, work and travel throughout the whole of Europe and are entitled to travel visa-free to more than 140 countries.

How can I apply?

To be eligible you must:

- Invest €2 million plus VAT in properties, stock or bonds; and
- Make a non-refundable contribution to the Government Development Funds of €150,000; and
- Have no criminal record; and
- Retain investment for a minimum of five consecutive years

How can we help?

We help those wishing to apply for Cyprus Citizenship programme by providing advice on;

- All applicable fees
- Choosing the best type of investment for your needs and financial situation
- Arranging a viewing trip to Cyprus
- Meeting the criteria for application
- The application process and expected timescales
- The implications of dual nationality
- Your rights as a citizen of Cyprus
- Living in Cyprus (if you wish)
