

GREECE GOLDEN VISA

THE GREECE GOLDEN VISA IS MORE THAN AN INVESTMENT; IT'S AN INVESTMENT IN A LIFESTYLE AND FUTURE WITHIN THE EUROPEAN UNION. WITH COATES GLOBAL, EMBARK ON YOUR JOURNEY TO GREEK RESIDENCY WITH CONFIDENCE AND EASE.

Your Affordable Gateway to Europe

The Greece Golden Visa program is the most affordable and accessible pathway to EU residency for non-EU nationals, with a minimum investment of **€250,000**. It offers the lowest entry point among European Golden Visa schemes, granting visa-free travel in the Schengen area. This program not only opens doors to Greece's rich culture and stunning landscapes but also features a simple application process and a high approval rate, making European residency and free movement within the Schengen zone more attainable.

Benefits Include

- **Europe's Most Affordable Golden Visa:** With an investment threshold starting from **€250,000**, it stands as the most accessible route to European residency.
- **Visa-Free Schengen Travel:** Enjoy unrestricted travel within the Schengen Area, opening doors to seamless European exploration.
- **No Residency Requirement:** Obtain and maintain your residency without the need to live in Greece.
- **Quick Processing Time:** Residence permits can be acquired within appr. **120 days**, making it one of the fastest routes to European residency.
- **Permanent Residency with Unlimited Expiry:** The residence permit does not have an expiry date, ensuring long-term security.
- **Rental Income (If invested in property):** The option to rent out your investment property provides a potential rental income stream.
- **Family Inclusion:** Extend residency to your entire family, including your spouse, children under 21, and both the applicant's and spouse's parents.
- **Pathway to Citizenship:** Eligibility for citizenship application after seven years of residency, integrating you fully into Greek society.
- **EU Long-Term Residency:** After five years of legal residency in Greece, investors have the opportunity to reside in any EU country under the EU's long-term residency rules.
